

August 3, 2021

Dear Parent / Guardian:

Harmony Public Schools is excited to offer free meals to all students for the 2021-22 school year. Today, we wanted to provide you with a few additional details about our free meal program to answer some questions you may have.

WHO IS ELIGIBLE: All students, regardless of income or prior participation in the Free & Reduced Meal program.

WHAT'S INCLUDED: Full meal (breakfast and lunch) plus one milk. If a student wishes to purchase milk only (ex. brought lunch from home but needs a drink), they may do so for \$0.50. Students without funds on their meal account will be allowed one charge, then may not purchase additional milks until their meal account has a positive fund balance.

HOUSEHOLD INCOME VERIFICATION: Because meal eligibility applications will not be collected this year, parents/guardians are asked to log in to their Skyward account and complete the Household Income Information Form. This information is used by the Texas Education Agency and other entities to determine the level of funding that will be made available at each school to support your child's learning needs. (Note: The specific details of your family's income levels will **NOT** be shared with the TEA.)

Thank you for your help in allowing us to provide the best education and opportunities for our students. If you have any questions, please contact the Child Nutrition Assistant at your child's school.

Sincerely,

Harmony Public Schools
